

Help the Animals

Helping to save the lives of animals is possible thanks to your generosity! Yes, YOU are an important part of the Madison-Greene Humane Society because we could not do what we do without your support. We are private, non-profit organization, and that means that we receive no funding from the state or county.

Be a Foster Parent

Our foster parents are near and dear to our hearts, because they open their hearts and their homes to kitties, young and old, in need of loving care in a safe home environment. Fostering is emotional, but you get from it what you put into it! Foster parenting is critical to our mission, and we need you today. Check out our website for more information.

Volunteer

Do you have a bit of time and energy you could share with us? We have **FUNDRAISING EVENTS** that happen from time to time throughout the year. Do you have an idea for a fundraiser that you would like to lead? We are all ears. Do you have vision, determination and the ability to get things done? Consider joining our **BOARD OF DIRECTORS!** Do you have computer skills? We could put them to work!

Donate

Monetary donations make all things possible and allows us to give life, hope and love to our animals, while giving us opportunities to expand and create new programs that make our communities a better place to live!

Sponsor a Cage (\$10/month or \$100/year will provide food, toys, comfort, medicine, litter to an animal)

Adopt a Classroom (\$30 pays for a local classroom subscription of "Be Kind News" a wonderful newsletter distributed by the National Association for Humane and Environmental Education!

Help us start a **Second Chance Fund** for special or unexpected needs.

Include us as a beneficiary in your will or annuity options.

Write a check and save a life. We need your help. Our help is their hope.

Give today, and Help Give Life, Hope & Love to an Animal in Need.
